# Under- stated elegance.

Geberit Monolith Puro

Know-how  
from  
Switzerland

**Clear lines.**  
A design element in your home.

## Piece of art

The Geberit Monolith Puro upgrades your bathroom to the next level and changes your bathroom into a well-designed area.

### Question of taste

It is up to you to choose from 8 different colour and pattern options. Personalise your bathroom the way you want.

### Top Quality, Safety

Slim appearance design, only 11cm thickness, the minimalist style; high quality metal frame and sides, corrosion and abrasion resistance; two sections of straight flush, water saving and excellent cleaning effect.

### Question of detail

Beside the beautiful design, the Geberit Monolith Puro includes all the benefits you expect from a Geberit product. All the working parts, including tank and fill and flush valves, are hidden inside a sleek metal-and-glass housing and is compatible with a wide variety of floor standing WC ceramics.

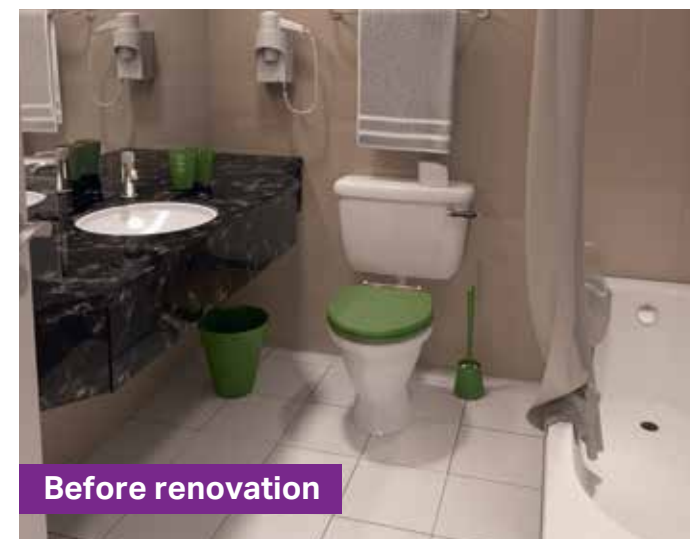

### Quality Assurance

With a durable thick tempered glass panel, it is aesthetically pleasing, while being safe and reliable. The top lid is easily removable and all the spare parts can be conveniently maintained from the top with ease.

## Renovation in a few hours Without breaking the wall.

The Geberit Monolith Puro is the perfect choice for renovating a bathroom. It is a time-saving and cost-effective solution. In only a few hours the bathroom can be used again as neither the wall or floor tiles will be affected – the Monolith Puro takes care of that and the result is outstanding.

Before renovation

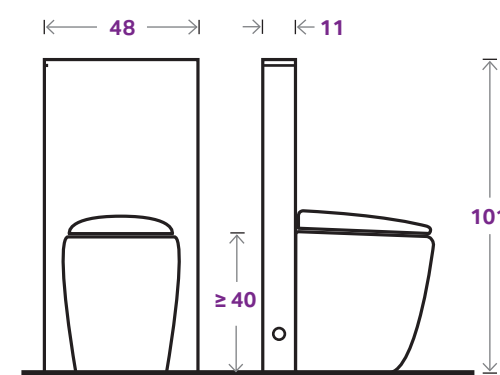

After renovation

The installation of the Geberit Monolith Puro is a simple, quick and clean solution for renovations. The walls do not need to be hacked and existing water and drainage connections can be used, so work is kept to a minimum.

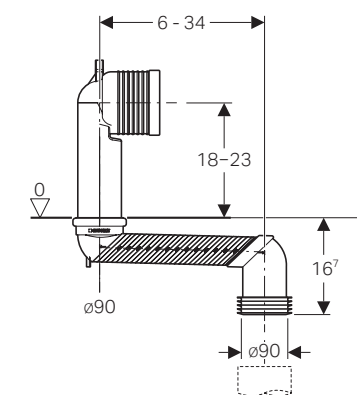

The sleek Geberit Monolith Puro design provides an instant facelift and adds a touch of elegance to your ideal bathroom.
